LUPIN[®]

**THE SELF-LOCKING
ROLLER SHUTTER**

ALUMINUM ROLLER SHUTTER

MORE SAFETY

Lupin the Burglar-proof shutter. This new kind of blind system, if completely closed, thanks to its particular properties and design, made of more kinds of **extruded aluminum** profiles, with a special "S" Hook, grants a self-locking safety system.

Partially opened the microperforated profile offers also an anti-mosquito protection.

Class 4 ANTI-Burglary certification UNI EN 1630
